## PAYING WITH PROMO, VOUCHERS, AND POINTS

### Allegiant Promo Codes

- If there are any issues with the code, the customer should reach out to you and I'll ask that **you let me know** and I'll have the team investigate. The customer care team (standard contact for the airline) will not be able to help with these special promotions.
- The fraud protection on our website will not allow a single credit card or email to book more than 10 itineraries in a day (this usually becomes a problem when one company representative is booking on behalf of each person.)
- Fares and pricing will change over time. We cannot provide refunds for any differences through time.
- Because of opportunity cost and the increasing value of inventory as we get closer to departure, if we have to extend the promo code past the book date above, it will likely be a lower promo amount.
